- 5 Blouses
- 3 Trousers
- 20 Campaign Hats
- 12 Blue flannel shirts

was Lost and destroyed under the following
(Lost, destroyed or stolen, etc.)

circumstances, viz: That during the Regimental camp at Sherman Texas
(Give dates, detail and full history of case.)

Aug. 5th to 12th 1900, a detail of 10 men from my company, were put in the rifle pit to act as markers, a rain was falling during the day they were on duty in the pit, causing them to have to work in the mud and slop, thereby ruining 5 Blouses and 3 trousers, same being unfit for further use, was destroyed. The 20 campaign hats and 16 pr. of leggins were in use at the same place and time, some being worn out and destroyed at that time, the remainder being worn out from use, while on duty at Galveston Texas. Sept 27 Oct 7th 1900 and since. In regard to the 12 blue flannel shirts, same were taken from the armory without the knowledge or consent of the officers of the company. That since this loss, our armory has been moved into more secure quarters, that all 2 m stores are now kept under separate lock, which I think will prevent any further loss in the future.
That all possible efforts were made to Save and recover said public property without success, and that the
(Save or recover.)
